*Invitation to Participate
on the
Squamish Salmon Recovery Plan
Project Process*

You are invited to participate in a half-day workshop on Saturday, February 25th, to provide your input in prioritizing this years projects as identified in the *Squamish Salmon Recovery Plan*. Through the Pacific Salmon Foundation (and funding support from CN Rail), \$225,000 in funds is available for this years (2006) projects.

The Workshop will be held at the District of Squamish Municipal Hall Council Chambers and is a follow-up to the November 2004 Recovery Planning Process. Space is limited so we are encouraging that you confirm your attendance as soon as possible.

The Workshop is free and lunch will be provided but registration is necessary to ensure we don't exceed our seating capacity.

Please RSVP either by e-mail, phone, or mail no later than February 22nd, 2006.

Thank you very much,
