

Salmon Friendly Gardens

Make your neighbourhood a better place & start something healthier for you and for salmon in your backyard!

Explore eco-friendly gardening techniques, with special presentations by:

- **Lisa Atkins**, Gaia College Instructor
- **Gail Macadam**, “The Bug Lady”
- **Gwen Odermatt**, of Petals and Butterflies Farm Nursery

**A FREE
PUBLIC
EVENT!**

In preparation for the growing season, this primer is a must!

*~ organic yard care ~ backyard composting ~
