

ADVANCED/SPEY WORKSHOP

SATURDAY APRIL 16 & SUNDAY APRIL 17, 9AM TO 5PM

Pacific Angler is pleased to announce a 2-day, on the water, Spey casting workshop with world-renowned instructor Chris Sepio.

The 2-day workshop is intended for intermediate and advanced Spey casters. Chris will cover all major Spey casts with a focus on advanced techniques that will get you casting further with less effort. The limited class size will enable Chris to have maximum time instructing students individually and help develop their own personal style of casting. As a bonus Chris will create a practice and training plan custom to your needs to help further develop your skill and style beyond the course.

This unique workshop will be held on Stave River. We will be casting on both sides of the river to master the different Spey casts required to fish. If you want to try some of the great G. Loomis rods and Airflo lines, no problem...we will set you up with a rod and line for the course.

Course Details

Date: Saturday April 16 and Sunday April 17, 9am to 5pm

Location: Stave River

Cost: \$300.00

Class Size: Workshop is limited to 6 students

Call Pacific Angler, (604)-872-2204, to secure your spot today!

Angler Profile: Chris Sepio

Chris is a certified *MASTER CASTER* by the Federation of Fly Fishers. On average he teaches over 30 fly fishing schools each year across North America. Chris is Canada's top casting expert and can be seen performing casting demonstrations across Canada and United States.
